# **ABOUT US**

## **EXPERIENCE THE BEST IOWA & NEBRASKA PHEASANT HUNTING**

We have been growing, raising and chasing game birds for over 40 years. We take hunting to a whole new level with the quality and passion that comes with Big Red Game Birds, and Safety is always number one.

For avid hunters, our preserve offers a unique landscape for pheasant hunting. With vast open fields and prairie land, hunters can experience the thrill of pheasant hunting surrounded by scenic beauty. Whether you're after guided or solo hunts, our location provides excellent opportunities for seasoned and novice hunters alike.

# MISSION & VALUES

## PURPOSE

To create a world where everyone can experience the beauty and tradition of upland game hunting.

We aim to deliver authentic outdoor experiences, blending adventure with responsible wildlife management for passionate hunters.

## COMMITMENT

Dedicated to fostering a deep connection to nature through responsible upland game hunting experiences.

Focused on providing an exceptional environment for hunters to enjoy nature while upholding ethical standards and respect for wildlife.

## BELIEF

Preserving the heritage of upland hunting through conservation and unforgettable adventures.

“Every Hunt, a New Adventure” – We believe in creating unique experiences that connect hunters to the wilderness and foster respect for the outdoors.

## HUNTING OPTIONS

### GUIDED HUNTS

Guided hunts are offered with our top tier guides and excellently trained dogs.

### UNGUIDED/PRIVATE HUNTS

Unguided/private hunts are ideal for the seasoned hunter.

## BOOKING & PRICES
